

Dear Polish Falcon,

It's time to get creative and submit your art to the Polish Falcons Future Leaders Art Exhibition. If you, your son, or daughter have a creative side, this is the perfect time to show it off. You can submit one piece to each of the following categories: painting/visual arts, photography/short films, sculptures, Polish cultural art, music/dance videos, literature (poems/short stories), or fabric and fashion. Art from Falcons ages 3 to 300 will be represented in groups made up of Members their own age. The exhibition will be shown on the PFA website and various social media platforms for viewers to enjoy from home.

The art will be displayed at all upcoming youth events, the first being the Family Volleyball Tournament March 31st - April 2nd, with Falcon favorites being put on display in the national headquarters. If you plan on attending, simply fill out the attached form and bring your artwork with it to the event! If you have multiple submissions, make sure to copy your form and fill out one for each submission. If you are unable to attend, but still wish to submit a piece, fill out the form and contact your local Future Leader (listed below) who will be able to take it with them. If all else fails, ship it in to National Headquarters (381 Mansfield Ave, Pittsburgh PA, 15220). Please have these postmarked at least one week prior to the event. Submissions postmarked later will not be shown at the Volleyball Tournament, but will be saved for future exhibitions.

Additionally, there will an option to put your art up for sale! If you wish to sell your art, check yes on the form and it will be put into a silent auction. Portions of the proceeds will go to the Starzynski Scholarship Fund, Youth Funds, and even into your own pockets! Please make sure to take a look at the attached guidelines for your submissions before creating your masterpiece. We hope to see your creative sides shine in this fun, family friendly art exhibition!

Czołem!

Submission Guidelines

General Guidelines:

- Intentional vandalism, theft, or tampering with others' art submissions is grounds for immediate disqualification and disciplinary action.
- Plagiarism is prohibited. Any plagiarism is grounds for immediate disqualification and disciplinary action.
- Every submission must include a photo of the artwork you have created in case of the event that your submission is damaged or lost.
- Your submission must be appropriate. (If you wouldn't show it to your grandparents, don't do it!)
- You may submit only one artwork per category per person.
- You may not use a piece of art more than once.
- You are responsible for transporting your submission to the event. If you are submitting a piece of art but cannot attend, contact your District Polish Falcons Future Leader.
- Be creative! This is your chance to show off your talent in the arts in front of the whole Falcon community! ☺
